<u>**Now for some fun:**</u>

Some people are kind, polite, and thoughtful until you try to sit in their pews.

Many folks want to serve God, but only as advisers.

The good Lord didn't create anything without a purpose, but mosquitoes come close.

When you get to your wit's end, you'll find God lives there.

People are funny; they want the front of the bus, middle of the road, and back of the church.

Opportunity may knock once, but temptation bangs on the front door forever.

Quit griping about your church; if it was perfect, you couldn't belong.

God Himself doesn't propose to judge a man until he is dead. So why should you?

The best mathematical equation I have ever seen: 1 cross + 3 nails = 4 given.
