COMING EVENTS: mark your calendars
Apr 11 at 12 noon potluck at the Nelsons' home (note: this is a time change from last month's newsletter).

We will make this our Easter event with a theme "Music for the Soul". Cheryl is planning a time of music and singing to encourage an Easter spirit. More details next month.

May 9 event planning underway, a few ideas are the Yosemite Mountain Sugar Pine Railway, a planetarium visit in Visalia, or a visit to the Visalia Rescue Mission with Executive Director Al Oliver. Just ideas at this time – others?

Feb 14 Our Valentine's luncheon at Jenny Lynn's was well attended by 30 YAH members and 2 guest speakers.

We were treated to a great presentation from Chet Doggett and his wife. We learned about their lives and especially his woodworking skills. He provided each of us his wooden cross and, to some, a specially made cross in a flower stand.

Sorry, no pictures from this event

Good morning,

As you got up I watched and hoped you would talk to me. Just a few words, such as thanking me for something good in your life yesterday or last week would do.

But I noticed you were busy selecting the right clothes for work. I waited again to hear from you. When you ran around the house collecting papers, I knew there would be a few minutes to stop and say hello, but you never slowed down.

I wanted to tell you that I could help you accomplish more than you ever dreamed possible if you would just spend some of each day with me. At one point, you waited fifteen minutes in a chair with nothing to do. I waited to hear from you.

Then I saw you spring to your feet; I thought you wanted to talk to me, but you ran to the phone and called a friend.

I watched as off to work you went and waited patiently all day long to hear from you. With all your activities, you were too busy to talk with me.

I noticed at lunch you looked around; maybe you just felt embarrassed to talk to me. You glanced three tables over and noticed some of your friends talking to me before they ate, but you wouldn't.

There was still more time left, and I hoped that we would talk. You went home and had many things to do. After they were done, you turned on the TV; just about anything goes there and you spend many hours watching. I waited as you continued watching TV and ate your meal but again you wouldn't talk to me.

At bedtime you were totally tired. After you said good night to your family, you plopped into bed and fell asleep. I had so much wanted to be part of your day. We could have had so much fun and accomplished so much together.

I love you so much that I wait every day for a thought, prayer or thanks. Well, maybe tomorrow!

I'll be waiting.

Your Friend,

God
