**Working with nature, they use fresh Jersey cow milk from their own family farm, created without the use of hormones or antibiotics. When you visit the Cheese Factory, you are able to taste all of the cheeses, watch them make cheese, and purchase a favorite brand.**

**And there's always room for a scoop or two of their delectable "Rosa Brothers" ice cream or the infamous date shake!**

**As usual, please sign up in the church foyer. We will plan to leave the church May 9 about 11:15 and meet at Bravo Farms around noon. Rides from church are available if needed.**
