Connects Us Heart to Heart*

We are now one year old. The first time we met was October 12, 2005. We wondered if anyone would show up and what, if any, interest would be evident. It was the first of the Yah fabulous potlucks. At that time, the group didn't have a name. The attendance and contribution of ideas of those present indicated that there was an interest in forming a "seniors" group.

At our second meeting we took suggestions for names for our group. The name YAH was an overwhelming first choice. (Sharon Lamb)

The first event of the 2019-2020 will be one of those fantastic fried chicken dinners by our own Phyllis Pepper. It will be at church, Sept 12 at noon. The goal is to provide funds to replenish the depleted Church pantry. All you need to bring is a

recommended minimum donation of \$7 and a hungry stomach, Phyllis will cook and donate all proceeds to the pantry. Please sign up in the foyer by Sunday Sept 8 to allow time to purchase enough food supplies.

Our speaker will be Milt Stowe, former director of Parks and Leisure Services, former mayor of Porterville and recipient of a heart transplant. His talk is sure to be inspirational; he will discuss the trials and tribulations he experienced during the process of receiving a new heart.

The second event, Oct 10, will be a trip to the Visalia Rescue Mission (VRM); former Hillside Interim Pastor Al Oliver is the Director.

We will eat about 11:30 at the Mission; they recommend a donation to defray food costs. During lunch we will see a presentation of their activities and then a tour of the facility. Expect to finish around 1:15.

Our last event of the 2018-19 was at Bravo Farms in Traver. We had 17 attend the event with food and shopping enjoyed by all present.
