A Study on 2 Thessalonians

Missions Conference *Dialoguing with Catholics About Christ*

Saturday, April 2 | 9:00am - 3:00pm
Room: B-1 | Cost: \$10 per person

Statistics are that at least half of the people in Porterville and the surrounding areas come from Roman Catholic backgrounds. At least 25% of people identify themselves as Roman Catholic. If we're trying to help people be devoted followers of Christ, we'll encounter Catholics.

What does Roman Catholicism teach in the areas that matter? How does what Catholicism teaches compare to the Bible? Most believers are shocked to find out how different they actually are.

How can you dialogue and reach people from a Catholic background?

Saturday, April 2nd, we'll be hosting a 6-hour seminar, with a guest speaker, to help you understand and dialogue with Catholics about Christ.

You'll need to sign up because lunch is included. We will also take a love offering to help cover the costs of the seminar. Please sign-up at the Welcome Counter

We have a new church management software that we are using in the office, called Church Trac. Along with the software comes an installable web app for you, our congregation, called Church Connect.

With this web app you can stay more connected with what is going on at HCC. You can view upcoming events, see this week's announcements, fill out a communication card, enter your prayer requests, record your attendance, access HCC's online directory...and much more!

Next week you will be able to download the web app on your phone. We will have staff members in the lobby available to help you download the app.
